FRASERSUITES

— KENSINGTON - LONDON —

Introduction

Fraser Suites Kensington, Frasers' London flagship, is fronted by a beautiful 2.5 acre private garden square to which many residents have access from their apartments' private terraces or courtyards. The lavish appeal of restored Victorian staircases, glass atriums, high ceilings, restored period cornices and skirting provide a surreal glimpse of the past.

Here, 19th century elegance is combined with the contemporary style and convenience of modern living. The property, known as a 'hidden jewel' amongst connoisseurs, breathes out comfort and sophistication and offers a fine selection of fully serviced studios, one, two and three bedroom apartments.
